

One Firm WorldwideSM

NORTHERN CALIFORNIA

Part of the California legal community for more than 35 years, Jones Day now has over 300 lawyers in our five California offices. With more than 2,500 lawyers in 38 offices worldwide, Jones Day provides clients with a local presence and a global reach, enabling clients to draw upon the statewide, national, and international experience of the Firm.

Client demand has driven exponential growth in our Northern California offices in the past few years; the number of attorneys has increased from five to more than 140. Whether a company is operating in China, managing oil rigs in South America, or filing patents in Munich, the San Francisco and Silicon Valley offices

are positioned to serve our clients' legal needs in the international market. Our strong ties to the technology, finance, and venture capital sectors provide opportunities to serve both our global clients and those positioning themselves to expand their niche markets, focusing on projects in Europe and Asia. Jones Day is proud of having special industry practices in energy, biotech, pharmaceuticals, and health care—fast-paced industries that routinely benefit from our 24/7 capabilities. From “bet the company” litigation to daily operational matters, Jones Day is here to provide the practical and creative solutions you need.
