## ASIAN DISPUTE RESOLUTION

### JONES DAY'S GLOBAL DISPUTE RESOLUTION PRACTICE

Jones Day has built one of the largest and most successful dispute resolution practices in the world, comprising more than half of the Firm's global operations. Jones Day offers the resources and experience of one of the world's leading litigation practices, including top litigators and local knowledge in the jurisdictions where we operate.

Jones Day lawyers have handled some of the biggest disputes before the ICC, and we regularly represent clients in arbitrations involving the American Arbitration Association, UNCITRAL and the Stockholm Arbitration Institute Rules, as well as arbitrations governed by CIETAC, the Hong Kong and Singapore

International Arbitration Centre Rules and the Kuala Lumpur Regional Centre for Arbitration Rules.

We also recognize that disputes are better avoided than fought. For this reason, we work closely with our clients to develop effective compliance and operating procedures and strategies to reduce the risk of disputes.
